Dear Families

Welcome back to 2023. We all hope that you have had an amazing holiday and some quality family time.

We have had an amazing start to 2023. We have spent the last two days sharing information on our students, updating our knowledge of the comprehensive literacy program and unpacking lots of new furniture. The classrooms all look fantastic and ready for the start of some amazing learning journeys.

If you would like to know more about our comprehensive literacy program, please visit Jane's website:

<https://www.janefarrall.com/>

During week one all families will be receiving a welcome letter from their class teachers, an overview of the themes for the term and for our new families, information about our communication app seesaw. If you haven't join us yet please give it a go as this is an amazing app for sending you up to date information on your child's progress at school.

You'll also be receiving a pack from our admin staff to update your families details including medical information, school card application process, department mobile phone and sun smart information. If you need any support to complete the forms please pop in and see your class teacher or Tracy at the front office.

Enjoy the last few days and we'll see you at 8.40 on Monday.
